MANAGED BY
BTL COLLECTION

Welcome to Georgia, Tbilisi

With its dramatic valley setting, picturesque Old Town, eclectic architecture and superb eating and drinking opportunities, Tbilisi is the vibrant, beating heart of Georgia and home to more than one in three of its citizens. Add to that the pull of the city's hipster culture, its techno scene and general air of cool, and Tbilisi is confidently sealing its reputation as the South Caucasus' most cosmopolitan city.

While at first glance Tbilisi can seem both crowded and chaotic, many neighbourhoods retain a village-like feel with their narrow streets and small shops, while the Old Town is still redolent of an ancient Eurasian crossroads, with its winding lanes, balconied houses and leafy squares, all overlooked by the 17-century-old Narikala Fortress. Whichever side of the city you're looking for, you'll discover both on any exploration of Georgia's capital.
